Executive Order No. 66-01

**Student Body President
Texas A&M University**

A PROCLAMATION

Relating to S.B. 66-11 The Non-Academic Student Fee Review Amendment Act

WHEREAS, S.B. 66-11 is an amendment to The NASFRA Act in the Student Government Code but also has additional policy requests, so the bill does more than simply amend the existing Student Government Association Code. In addition, the Student Body President has concerns about the requested changes to the fee review process.

THEREFORE it is ORDERED (1), that the Student Body President disapproves of S.B. 66-11 but will allow the bill to go into effect without his signature.

THEREFORE it is ORDERED (2), that The Executive Branch retains the responsibility and privilege of advocating for all bills, and will fulfill all responsibilities relating to the enactment of S.B. 66-11, The Non-Academic Student Fee Review Amendment Act.
