Student Pedestrian Safety Augmentation Act

"A bill in support of enhancing student pedestrian safety and requesting officials to consider a new crosswalk in a highly populated off-campus student living area."

Whereas(1): Both the student population and number of accidents involving pedestrians within College Station has recently increased; and,

Whereas(2): Many students must traverse increasingly busy streets and intersections in order reach their bus as they travel to and from campus; and,

Whereas(3): A strategic location along Southwest Parkway, near the entrance of The Woodlands student housing, exists as an area with high student density, and the associated propensity for pedestrian crossings; and,

Whereas(4): The safety of Aggies could be substantially improved with the installation of additional pedestrian safety measures at the aforementioned intersection;
