Whereas(1): Established in 1876, Texas A&M University, formerly known as the Agriculture and Mechanical College of Texas, was created with the intention of delivering a quality collegiate experience for individuals looking to further knowledge in fields similar to those taught in our present day colleges; and,

Whereas(2): The College of Agriculture & Life Sciences has been a crucial part to the development of Fightin' Texas Aggies since the school's conception by providing practical experiences for students to take what they learn in classrooms and apply it in an educational setting; and,

Whereas(3): Some of the ways in which students from College of Agriculture & Life Sciences have been able to practice what they learn in the classroom is through the college's commitment towards sponsoring collegiate livestock, meat, wool, animal welfare, horse judging teams; and,
